

# Kartik Nikam

## Front-end Web Developer

---

### Profile Summary

I am looking for an opportunity to begin my career as a software developer. I've built and gained experience from projects that are mentioned below. I believe I am a highly motivated person and a skilful React.js developer, who is a quick learner having great work ethics and communication skills.

### Projects

**Personal Portfolio** (React.js site that contains all the personal and professional details)

**imagerator** (AI based image generator Full-Stack application)

**getPrompts** (AI prompts create-share app for chatGPT, Midjourney, DALL-E, etc.)

**Quizzeroma** (a multiple category Trivia web-application)

**GuessTheNumber** (a number guessing game application)

**BOOKit** (Theatre Seats Booking Web-Application)

### Certification Courses
